

# County Commissioners Breakfast

Join your colleagues and our local county commissioners for a morning of discussion and networking. The county commissioners from Cumberland, Dauphin, and Perry counties have been invited to attend and discuss real estate related issues in our tri-county area including:

- Major county projects/initiatives for 2019
- County budget concerns and spending programs, including any impacts on or plans to initiate transportation/infrastructure projects
- Land preservation programs and issues
- Dauphin County Land Bank
- And more!

This event is the annual GHAR breakfast meeting specifically dedicated to our county commissioners and county issues. Do not miss this opportunity to interact with your local county commissioners!
